This infographic is set against a blue background. At the top left is the UNICEF logo with the Chinese text '聯合國兒童基金會' and the slogan 'BELIEVE IN ZERO'. A central text block states: 'Every child and teenager under the age of 18 is protected by the Convention no matter who they are, where they come from or what they believe in. The Convention protects every child's right to:'. To the right, a white speech bubble contains the text: 'The UN Convention on the Rights of the Child spells out that all children are entitled to four basic rights – survival, protection, development and participation. UNICEF commits to promote child rights and its realization globally, attaining our goal of ZERO suffering for children.' Below this, the infographic is divided into five horizontal bands, each with an illustration and a right: 1. 'be protected' with a girl holding an umbrella; 2. 'be educated' with a boy holding a pencil and the letters 'A B C'; 3. 'be healthy' with a girl in a red dress in a park; 4. 'be treated fairly' with two girls on a seesaw; 5. 'be heard' with two children talking. At the bottom, there are social media icons for Facebook, YouTube, and Instagram, the UNICEF logo, and a search icon. The footer text reads: '© 2013 Hong Kong Committee for UNICEF. All rights reserved.' and a small UNICEF logo.
