

Through an enquiry approach, our curriculum is responsive. We nurture, develop and build on children’s interests and passions; make links to their local environment so that learning is relevant, lifelong and builds the broad skills and knowledge for the world ahead. With an ethical focus in which children learn about rights, through rights and for rights, our children have the confidence to question the world around them, allowing them to be active participants to shape their community. Our children are stewards of the environment, developing strong core moral values which celebrates openness, diversity, and equity.

This document provides an overview of the planned sequence of learning for a term. Actual teaching and timings may differ as teachers adapt teaching and learning opportunities as they teach to ensure teaching is responsive to children’s needs.

Subject/Area/Focus	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6
Key Events/ Assessments			SEND Coffee Morning (Tuesday 29 <sup>th</sup> January)		Children’s Mental Health Week Art Project	
School Values	Perseverance and kindness					
Unicef Rights Respecting Schools – Main Focus <a href="#">Click here for more information</a>	Article 24: every child has the right to good health, including health care, clean drinking water and nutritious food. Article 12: Every child has the right to say what they think in all matters affecting them, and to have their views taken seriously. Article: 13: You have the right to find out and share information and share what you think. Article 6: You have the right to life, to grow up and reach your full potential.					
Main Enquiry Questions	How can we use sustainable materials to design and build homes that help animals live? <b>(DT &amp; Science)</b>					
Learn Together, including RE	Exploring the natural world (an ethical approach to the environment)  Investigate the life cycle of an animal (frog & butterflies).	Discuss and debate why it is that some animals resonate with us more than others and the implications for species considered ‘cute’ and ‘not cute’	Demonstrate an understanding of how we should care for the natural world, such as planting flowers that attract pollinators.	Explore the concept of interdependence by examining food chains and eco-systems.		
PSHE					<b>Lesson 1: Watch out! Helping to make good viewing choices</b> <ul style="list-style-type: none"> <li>• identify that some rules are made to keep us safe</li> <li>• recognise some of the BBFC’s age-rating symbols</li> <li>• identify why we should use these, and what to do if we need help</li> </ul>	<b>Lesson 2: Watch out! Keeping viewing choices safe</b> <ul style="list-style-type: none"> <li>• explain how to use child-friendly or family friendly age rating symbols</li> <li>• describe how these and other strategies can help someone decide what to watch</li> <li>• apply these strategies to everyday viewing situations</li> <li>• identify what do if they feel something is unsafe, such as asking for help</li> </ul>
Focus Text	The Journey Home By Frann Preston Gannon.			The Bear and the Piano by David Litchfield		
Phase and key objectives	Phase 1: Opening experience	Phase 2: Writer talk	Phase 3: <b>non-fiction Persuasive letter</b>	Phase 1: Opening experience	Phase 2: Writer talk	Phase 3: <b>Journey Tale (Narrative)</b> Planning (mapping/boxing up)

	Teaching key vocabulary Reading and immersion in text Speaking and listening Book talk Grammar skill 1 Writing opportunities	Analysing author's style Identifying organisational features Identifying language features Exploring key events, themes, characters Grammar skill 2 Writing opportunities	Planning (mapping/boxing up) Oral rehearsal Modelled and shared writing:  Drafting Feedback and target setting Editing and revising	Teaching key vocabulary Reading and immersion in text Speaking and listening Book talk Grammar skill 1 Writing opportunities	Analysing author's style Identifying organisational features Identifying language features Exploring key events, themes, characters Grammar skill 2 Writing opportunities	Oral rehearsal Modelled and shared writing Drafting Feedback and target setting Editing and revising
Main Grammatical Focus						
Spelling	<i>Words where 'c' makes a /s/ sound before 'e', 'i' and 'y'</i>	Words where 'wr' makes a /r/ sound at the beginning of words	Words ending in 'le'	Words ending in 'el'	Words ending in 'll'	Challenge words
