

Meet your teacher!

Hello, my name's Jocelyn and I can't wait to meet you all in January. In Pre-School we learn through play, we explore, we challenge ourselves and we learn to be a good friend.

In your new classroom...

In your classroom you will find lots of new things to play and learn with, as well as lots of exciting activities for you to try, including those that might get you a bit messy! We have dinosaurs, cars, dressing up clothes, building blocks, babies and lots more for you to enjoy!

We have an outdoor area, which we share with Reception. You can have lots of fun exploring water play, the mud kitchen and the climbing frame.

We go outside in all weathers so make sure you bring your wellies and spare clothes!

About me

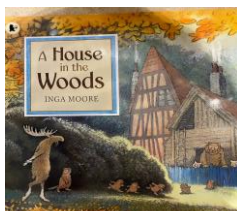

I initially trained as a teacher in Belgium, where we lived because of my husband's job. Since our family returned to the UK I've mostly worked in Reception, I'm really excited about coming back to Preschool!

This is my dog, Jack. He's a rescue, so he needs lots of training.

I enjoy riding my bike and I have been learning to sail a boat, I'm still not very good- but I'll keep trying.

I love reading, it's hard to say which book is my favourite but this one is super. It's about friends and working as a team, I hope you'll like it too.
