

Meet your teacher!

Hello, I'm Holly and I'm going to be your Pre-School Teacher this term. I am very excited to meet you all and learn lots of new and exciting things together!

In Pre-School we get to explore and learn through our play and work as a team.

We are going to have a fantastic term together!

In your new classroom...

In your classroom you will find lots of things to play and learn with, as well as lots of exciting activities for you to try, including those that might get you a bit messy! We have dinosaurs, cars, dressing up clothes, building blocks, babies and lots more for you to enjoy!

We have an outdoor area, which we share with Reception. You can have lots of fun exploring water play, the mud kitchen and the climbing frame.

We go outside in all weathers so make sure you bring your wellies and spare clothes!

About me

I have been teaching for more than 17 years and I'm very excited to be joining you on your learning journey this term.

I can't wait to get to know you all and find out what your interests are!

I have 2 daughters and we enjoy being outdoors and exploring nature.

I love swimming and have recently started running.

I love reading stories, especially by the author Oliver Jeffers.

I enjoy creating art and also looking at other people's art.
