

# Meet your teacher!

Hello! I'm Hannah and I'm super excited to be one of your Year Four teachers in September! I will be working with you on a Thursday and Friday. I will be covering until Sonia returns from maternity leave.

## In Year 4...

In Year Four, we have some great history and geography topics that will really excite you, such as looking at the rainforest and learning about the Romans. We will also be doing lots of fun science, like learning about electricity. Summer term will also see us starting swimming – how fun!

## About me

As you know, I have been working at Somerdale for a year now as a Learning Support Assistant in Reception and Year 6. I have also taught classes in the school when their teachers have been unwell. I completed my teacher training a year ago and I am looking forward to having my own class and getting to know you all!

I love animals and nature! I really enjoy taking my dogs on long walks and exploring the countryside with them! Here are my two dogs. They are super fluffy and very spoilt! In my spare time, I like meeting up with my family and friends!

I can't wait to hear about all your interests!
