

Phonics Screening Check Year 2 - Attainment (3 Year Trend)

How are judgments made?

Children who did not pass the Phonics Check in Y1 complete the assessment at the end of Year 2. The data presented below indicates the percentage of children who have passed the Phonics Check for each cohort combining Year 1 and Y2 outcomes.

	2022		2023		2024	
	Somerdale	National	Somerdale	National	Somerdale	National
Phonics	100%	87%	93%	89%	90%	90%*

Key

Inline or above National Average	Below National Average	Data written in bold significantly above the National Average.
National Average with an * is an estimate provided by the school's data provider. Document will be updated once official averages are published.
